The privacy notices of those Lenders, Servicers or mortgage brokers shall apply, and you should refer to those privacy notices and/or contact your Lender, Servicer or mortgage broker to understand how your Personal Information and Browsing Information will be used by such Lenders, Servicers or mortgage brokers.

For some Black Knight Websites, we may be acting as a third party service provider to a Lender or Servicer. In those instances, we may collect certain information on behalf of that Lender or Servicer. During these transactions, we may collect some or all of the information on behalf of the Lender or Servicer that is described in the section below titled Types of Information Collected for the purposes outlined in the Use and Retention of Collected Information section.

The information you submit is then transferred to your Lender or Servicer by way of our services. The Lender or Servicer is responsible for taking action or making changes to any consumer information that is submitted through the Website. For example, if you believe that your payment or user information is incorrect, you must contact your Lender or Servicer.

Generally, we retain the information that you submit to us for 90 days. In some instances, we may retain the information for up to 270 days or longer. After 90 days (or 270 days, as applicable), we may destroy all
